## Sports Development Capital Grant Programme

Applications to the Ards and North Down Borough Council Sports Development Capital Grant Programme should be completed in line with the guidance and criteria outlined below.

Ards and North Down Borough Council recognises the need for Capital Investment into our Sports Clubs and Facilities, in order to improve the quality of provision and sporting experiences for people living within the Borough.

The Sports Development Capital Grant Programme provides financial assistance to eligible Sports Clubs for the delivery of capital projects and the purchase of capital equipment. 'Capital Expenditure' is defined as expenditure for purchase, improvement, restoration and construction of an asset directly related to the applicant organisation. It should have 'physical substance' i.e. be a tangible asset that can be listed on an asset register or a company's balance sheet (e.g. equipment, buildings) for use in the delivery of an organisation's activities; and it should have a useful life of more than one year.

The Council has set aside £40,000 for 2021/22 financial year and can award up to 50% of eligible capital costs with a maximum award of £5,000 in respect of any one project. Following grant assessment and allocations and if there is funding remaining, Council may consider awarding grants of more than £5,000 should the need be identified and in merit order.

**Projects must be completed, and expenditure incurred prior to 25<sup>th</sup> March 2022.**
